

2000

Oldsmobile

A new millennium. A new Oldsmobile. It's nothing less than the rebirth of engineering that delivers a unique combination of sophistication, world-class responsiveness and contemporary design. One look will tell you these automobiles are different: refined and understated, but with

a bit of an edge. One drive will tell you the rest: finely tuned steering and suspension systems, engines and interior designs all working in concert to deliver a feeling of complete control and intensify your passion for driving. From your first look to your first turn of the key, you'll know precisely what we mean when we say "Start Something."

The new Oldsmobile.

Five compelling reasons to

START SOMETHING NEW.

SHOWN LEFT TO RIGHT: SILHOUETTE, BRAVADA, 2001 AURORA, INTRIGUE AND ALERO.
Some vehicles shown with available equipment. All vehicles shown in Black Onyx except Silhouette, shown in Indigo.

It's well prepared to be driven every day.

As long as you're prepared for every
drive to be transformed into a

one-of-a-kind experience.

WWW.ALERO.COM

ALERO

Start driving in the next dimension. Praised by *Road & Track*

Room for Five
Scientists call it Adult Driver's
Dilemma: Go for the fun car or one
that fits the family? At last a cure:
Alero. Tuned seats up front and
spacious 3-across seating in
back ensure everyone can enjoy.

for its "delightfully well-balanced and nimble character," Alero adds an altogether more exhilarating dimension to everyday driving. Yet with a roomy interior and standard equipment that's extra-cost or simply not available on the competition, there are no sacrifices in your quest for comfort, versatility, safety and value in one fun-to-drive package. No wonder *Car and Driver* called Alero, "downright world class."

Alero GL Sedan in Black Onyx. Shown with available equipment.

Active Response System What makes Alero more fun? We call it the **ACTIVE RESPONSE SYSTEM,*** and it helps you grab hold of any corner you choose. Sixteen individual features work together to actively connect you to the road with more refined manners, more agile response and a more accurate feel for the car.

*On models with automatic transmission.

Highly Adaptable
The standard 70/30 split-folding rear seat enables you to carry longer cargo and a friend — or two — at the same time.

Four-star Safety
Alero's structural defenses include rigid construction that helped it earn a 4-star rating for the driver and front passenger in a U.S. government frontal crash test.

Power on Demand
Two refined powerplants, including an available 170-hp V6, provide stirring performance with long-life features and low-maintenance* designs built right in.

*Maintenance needs vary with different uses and driving conditions. See the Owner's Manual for more information.

INTRIGUE

The road beckons with challenging
twists and enticing straightaways.

You smile in anticipation, knowing powerful
control, precise balance and

soothing comfort are your allies.

WWW.INTRIGUECAR.COM

Intrigue GLS in Black Opz. Shown with available equipment.

Precision Control System The first and only midsize sedan in its class with this revolutionary control technology, Intrigue with available PCS enhances your safety by electronically monitoring the car's handling and applying individual brakes as necessary to help ensure Intrigue faithfully follows your steering commands.

Tailored Fit
Intrigue's driver-oriented cockpit and intuitively placed controls are designed to forge a clear connection between you and the road.

Follows your lead like a chorus obeys the conductor. Intrigue's precision-tuned chassis and suspension are the ideal accompaniment to its award-winning powerplant. Performing in perfect harmony, they conspire to provide a sense of complete command—and inspire a frequent rendezvous with the road. Good thing, too, because you'll get to spend more time reveling in the inviting 5-passenger cabin and savoring the comfort of available features like leather trim, heated front seats and automatic climate control. It's a virtuoso performance expertly orchestrated to soothe the driver while celebrating the art of driving.

Intrigue GLS in Black Day. Shown with available equipment.

3.8 Liters of Motivation

Intrigue's 215-hp V6 is among the most powerful in its class — and one of the "Ten Best" engines in America.* It offers swift acceleration and strength in reserve at highway speeds.

*Ward's Auto World, 1998

Fingertip Convenience

A true driver's sedan lets you focus on driving. Intrigue is no exception, with standard cruise control functions and available audio system touch controls placed right on the steering wheel.

Sophisticated Response

A 4-wheel independent suspension with a unique tri-link rear design helps Intrigue tame challenging roads. And it uses low-mass aluminum components for lighter weight and quicker reflexes.

Flexible. Accommodating. Entertaining.

It's the minivan designed for the way
you really live, with built-in safety and
control that inspire added confidence
on any trip you'd want to take.

WWW.SILHOUETTEVAN.COM

SILHOUETTE

2000
SILHOUETTE

Designed for all the hats in your closet.

You have many different roles to play —

and needs to accommodate. Silhouette

is equipped to handle them. Available features like heated front seats, rear-seat audio/climate controls and rich leather trim luxuriously cater to individual comfort. And its reconfigurable seating offers room for seven or a nearly endless combination of people- and cargo-carrying possibilities.

Premiere Presentation Silhouette Premiere is the first minivan to feature a factory-installed video entertainment system. Rear-seat passengers can view favorite videos on the fold-down screen, play video games, or tune in to their own choice of music — providing less distraction and more relaxation for everyone.

Silhouette Premiere in Indigo. Shown with available equipment.

Smooth Moves

With one of the most powerful engines in its class, Silhouette provides refined motivation, while a finely tuned suspension gives you a smooth, controlled ride that takes bumps in stride.

State-of-the-Art Confidence

Front seat side-impact air bags* are among the safety features that helped Silhouette earn a 5-star rating for the driver and front passenger in a U.S. government side-impact crash test.

All the Comforts of Home

Silhouette specializes in maximizing individual comfort. Available rear-seat audio and climate controls enable rear passengers to select their own temperature and audio source.

*Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.

Amazingly Versatile

Silhouette's standard modular fold-and-flip seating can easily accommodate up to seven passengers or an impressive number of configurations to handle nearly anything you want to bring.

A Helping Hand

Silhouette features wide-opening doors to make loading easy. The available power passenger-side sliding door opens automatically with the click of a button.

A gifted sport utility vehicle so
well schooled that it possesses
an advanced degree in the
traveling sciences.

WWW.BRAVADASUV.COM

BRAVADA

Bravada in Pewter. Shown with available equipment.

Getting from Point A to Point B can be a challenge.

Allow us to suggest a more intelligent solution.

With engineering that comprehends your needs, Bravada with SmartTrak helps you confidently — and comfortably — overcome conditions that stand in your way. Supportive leather-trimmed seating offers available driver's memory controls to recall your favorite fit. Automatic climate control maintains your preferred temperature. And with the available OnStar communications system, Bravada can even help with trip routing, dinner reservations, or summon assistance in an emergency.*

SmartTrak Intellect Sport utility vehicles should solve problems for you, not force you to make decisions for them. That's why Bravada possesses SmartTrak. It constantly monitors the need for added traction, and automatically shifts from two-wheel drive to all-wheel drive within 1/4 second of sensing wheelspin — no buttons or levers required.

*OnStar uses existing emergency service providers and cellular telephone and satellite technologies. OnStar requires cellular telephone service to be available and operating for features to function properly.

Bravada in Black Days. Shown with available equipment.

Plentiful Power

With 250 lb-ft of torque, Bravada's 4.3-liter Vortec V6 offers plenty of refined, efficient muscle. And its extended service intervals ensure a low-cost, low-maintenance* relationship for years to come.

*Maintenance needs vary with different uses and driving conditions. See the Owner's Manual for more information.

Luxurious Cockpit

A roomy, leather-clad 5-passenger cabin surrounds a fully equipped, driver-oriented command center. Power adjustments and available memory and heating features put you comfortably in the driver's seat.

Highly Adaptable

The available Cargo Management System keeps everything in its place. A large rear liftgate and 60/40 split-folding rear seat make it especially convenient to access up to 74.1 cu ft of flexible, cargo-carrying capability.

Announcing an automobile that is,
IN EVERY SENSE, AHEAD OF ITS TIME.

The new 2001 Aurora.

Newly redesigned and completely reengineered, the
new Aurora confidently leads the new Oldsmobile — and
you — well into the next millennium. It's a meticulously crafted luxury performance
sedan with the strength and balance to blaze a path far
ahead of its pursuers, yet it displays a polished style that
stands out from the crowd without disturbing it. The new
benchmark is set to arrive at your dealer in March of 2000.

WWW.2001AURORA.COM

Aurora in Bronze Mist. Shows with available equipment.

Unbridled Luxury

Inside Aurora resides a cockpit-inspired command center engineered to stir your soul. To soothe it, the spacious cabin is elegantly appointed with standard walnut accents and leather trim.

A Powerful Statement

Your choices include an award-winning 215-horsepower 3.5-liter Twin-Cam V6 or a race-inspired 4.0-liter DOHC Aurora V8 with 250 eager horsepower and impressive torque for breath-stealing response.

2000 ALERO

Coupe and Sedan Standard Features

POWERTRAIN AND CHASSIS

Alero engines are model-specific • Front-wheel drive • 4-wheel independent suspension • 4-wheel disc brakes • Rack-and-pinion steering • Low-profile P235/60R15 radial touring tires • Touring suspension • Rigid 25-lb body structure

SAFETY AND SECURITY

Safety cage construction with side-impact protection • Dual frontal air bags • 3-point outboard safety belts with center rear lap belt • Child restraint tether upper anchors • All-speed traction control • 4-wheel antilock brakes • Daytime running lamps with automatic lamp control • Automatic power door locks with lockout prevention • PASSLock II theft-deterrent system • Battery-rundown protection

SEATING AND DRIVER CONTROLS

Driver-oriented controls with full instrumentation • Contoured, reclining front bucket seats • 70/30 split-folding rear seat • Adjustable steering column • Center floor console • Power trunk release

COMFORT AND CONVENIENCE

Air conditioning (CFC-free) • Rear seat heat ducts • Solar-coated tinted glass with UV protection • Extensive interior storage • 12-volt auxiliary power outlet • Covered vanity mirrors

AUDIO SYSTEMS

Alero audio systems are model-specific

EXTERIOR

Rust- and dent-resistant steel body panels • 5-mph bumpers • Spring-away outside rearview mirrors • Rear window grid radio antenna

Model-Specific Features

GX MODEL

2.4-liter DOHC 4-cylinder with 5-speed manual transmission • Cloth-trimmed seating areas (Pewter only) • AM/FM stereo with 4 speakers • 15-inch bolt-on wheel covers

Available:

Electronic 4-speed overdrive automatic transmission • Cruise control • AM/FM stereo/cassette with 4 speakers • AM/FM stereo/cassette/CD with 6 speakers • Engine block heater

GL MODEL

GL1: 2.4-liter DOHC 4-cylinder engine with 5-speed manual transmission • GL2: 2.4-liter DOHC 4-cylinder engine with electronic 4-speed overdrive automatic transmission • GL3: 3.4-liter V6 engine with electronic 4-speed overdrive automatic transmission • All versions include: Cloth-trimmed seating areas • Driver's seat with power height adjustment • Cruise control • Power windows with driver's auto-down and child lockout • Power outside rearview mirrors • Map pockets in front doors • AM/FM stereo/cassette with 6 speakers • 15-inch bolt-on wheel covers

Available:

Remote-control keyless entry system • Leather-trimmed seating areas • Leather-wrapped steering wheel and shift knob • 8-way power driver's seat • AM/FM stereo/cassette/CD with 6 speakers • 100-watt Dynamic Bass Audio System • Performance Suspension • Foglamps • 15-inch aluminum wheels • 16-inch aluminum wheels • Power sunroof with sliding glass panel • Rear decklid spoiler • Gold Package • Engine block heater

Highlights only. Some optional features are available only when grouped in combination with other equipment. See your dealer for details.

GLS MODEL

3.4-liter V6 engine with electronic 4-speed overdrive automatic transmission • Foglamps • Remote-control keyless entry system • Leather-trimmed seating areas • Leather-wrapped steering wheel and shift knob • 8-way power driver's seat with adjustable lumbar support • Cruise control • Power windows with driver's auto-down and child lockout • Power outside rearview mirror • Map pockets in front doors • AM/FM stereo/cassette/CD with 6 speakers • 16-inch polished aluminum wheels • Low-profile P235/60R16 Goodyear® Eagle LS radial touring tires

Available:

100-watt Dynamic Bass Audio System • Power sunroof with sliding glass panel • Rear decklid spoiler • Gold Package • Performance Suspension • Engine block heater
