- Embroidered heritage logo on front seats and front floor mats

- Unique 17-inch chrome wheels with heritage logo on center cap

- Final 500 logo on engine and front sill plates (door openings)

- Cloisonné badges on front fender and rear deck lid

The Collector's Edition is based on the 2003 Aurora, with the following standard equipment:

- 4.0L DOHC V8 engine
- Dual-side air bags*
- Heated, leather-trimmed front seating
- Precision-Control System
- Moisture-sensing wipers
- 8-way power driver and passenger seats
- Collector's Edition package features as described above
- Many other standard features

A unique Collector's Appreciation Package comes with each vehicle.

Custom made especially for the Collector's Edition Aurora, a special owner's package will authenticate and enhance the collectibility of each car. The owner's package will certify that your Oldsmobile Aurora was one of the Final 500 produced and will be personalized with the actual VIN and production number of your vehicle. Mailed to each new owner after the sale, this commemorative piece will be a lasting tribute to this great automobile.

Available Options:

- Power sunroof
- Bose® radio system
- 12-disc CD changer
- Engine block heater

There will never be another like this one.

With style, performance, and innovation, these Collector's Edition Auroras represent a level of excellence worthy of the Oldsmobile flagship. And only the Final 500 Oldsmobile Auroras will be produced with the Collector's Edition Package. Whether you're an Oldsmobile aficionado or simply appreciate an outstanding automobile, one of the Collector's Edition Auroras is for you.
